- Members must meet their plan's deductible amount before coinsurance begins for covered services.
- The family deductible is the deductible amount for any tier above Employee Only coverage (Employee + Spouse, Employee + Children, Family).
- Copays do not count towards the deductible amount. The out-of-pocket maximum includes the deductible, copays, and coinsurance amounts you have paid toward covered in-network services.
- Employees on the Premium Plan can have the \$250 ER copay waived if they are referred to the ER by the Nurse24 hotline (1-866-458-0408). The Nurse24 hotline is not intended for use during medical emergencies.
- The plan will pay 100% for individuals on family coverage when they reach the individual out-of-pocket maximum amount.
- There is no out-of-network coverage for the Basic Plan.
