It's Health Advantage's self-service member portal. And it's a fast and convenient way to get the information you need to make healthcare decisions. Signing up is simple. Just go to blueprintportal.com, and in minutes, you'll be ready to use the Find Care & Costs tool and much more.

Find Care?

Use the Find Care & Costs tool to locate in-network doctors and care sites that meet your needs. You can search by:

- Specialty (primary care, cardiology, neurology, etc.)
- Health conditions (like diabetes, acid reflux, pregnancy, etc.)
- Treatment areas (stomach, heart, kidney, etc.)
- Specific procedures (like tonsillectomy, hernia repair, knee replacement, etc.)

And you can filter the results by location, language, gender, hospital affiliation, availability and facility type.

Check Costs

Take the guesswork out of your healthcare planning.

When you search Find Care & Costs for treatments, you'll see cost estimates that take into account:

The provider's claims history

Your health plan's benefits

Your claims history for the current plan year

Your estimated out-of-pocket cost is displayed first. But if you click the **Cost Details** link, you can see our estimates of how much the procedure costs and how much your health plan will pay.

Care that meets your needs and fewer surprises on costs. That sounds like a winning combination.
