INVITATION FOR BID

SOLICITATION DOCUMENT

SECTION 1 – GENERAL INFORMATION AND INSTRUCTIONS

Solicitation Number:	SP-27-006 Statewide Vehicles		
Procurement Specialist:	Joshua Williams	**Email:**	Joshua.Williams@arkansas.gov

1.1 INTRODUCTION

This Invitation for Bid (IFB) is issued by the Arkansas Department of Shared Administrative Services (SAS), Office of State Procurement (OSP) to obtain pricing and establish a statewide contract for all state agencies, K-12 educational institutions, and local public procurement units (cities, counties, municipalities) of the Participating State (hereinafter individually referred to as an "Eligible Purchaser" and collectively referred to as "Eligible Purchasers"), to purchase new automobiles, vans, trucks, and alternative fuel vehicles.

Each Eligible Purchaser that purchases from the established statewide contract ("Purchasing Entity") **shall** be treated as individual customers.

Prospective Contractor should Direct all correspondence regarding this Solicitation to OSP.

1.2 LIVE BID OPENING INFORMATION

Bid submissions are subject to a public opening during which names of Prospective Contractors will be read aloud. Information for attending the public opening is provided below:

1.3 TYPE OF CONTRACT

A. As a result of this IFB, the State intends to award a contract to multiple Contractors (see *Contractor Selection*).

B. The anticipated starting date for any resulting contract is October 1, 2026, except that the actual contract start date may be adjusted unilaterally by the State for up to three (3) calendar months. By submitting a signed bid, the Prospective Contractor represents and warrants that it will honor its bid as being held open as irrevocable for this period.

C. The initial term of a resulting contract will be for one (1) year. This contract will not be renewed.

1.4 DEFINITION OF TERMS

A. Unless otherwise defined herein, all terms defined in Arkansas Procurement Law have the same meaning herein.

B. "Prospective Contractor" means a responsive and responsible bidder who submits a bid that meets the Requirements and criteria set forth in this Solicitation.

C. The terms "Invitation for Bid," "IFB," and "Solicitation" are used synonymously in this document.

D. "Requirement" means a term, condition, provision, deliverable, Specification, or a combination thereof, that is obligated under the Solicitation, resulting contract, or both.

E. "Responsive Bid" means a bid submitted in response to this Solicitation that conforms in all material respects to this IFB.

F. "**Shall**" and "**must**" mean the imperative and are used to identify Requirements and Specifications.

G. "Specification" means any technical or purchase description or other description of the physical or functional characteristics, or of the nature, of a commodity or service. "Specification" may include a description of any Requirement for inspecting, testing, or preparing a commodity or service for delivery.

H. "State" means the State of Arkansas. When the term "State" is used herein to reference any obligation of the State under a contract that results from this Solicitation, that obligation is limited to the Department using such a contract.

I. "Subcontractor" means a business or person that contracts with the Contractor to perform a portion of the work or services required by the resulting contract.

1.5 CONTRACTOR SELECTION

A. Award is expected to be made to the responsive and responsible Prospective Contractor determined to have submitted the lowest per-Line Item price that meets the Requirements and criteria set forth in the IFB.

B. Negotiations may be conducted with the lowest-bidding, responsive and responsible Prospective Contractor if:

1. All bids received from responsive and responsible bidders exceed available funding; or
2. It appears that additional savings to the state may result from negotiation.

C. If negotiations fail to result in a contract, the State may negotiate with the next lowest-bidding, responsive and responsible Prospective Contractor.

D. The negotiation process may be repeated until an acceptable lower bid price is negotiated, or until such time the State determines negotiations are no longer in the best interest of the state.

E. Negotiations are conducted at the sole discretion of the State.

F. Once an anticipated Contractor has been determined, the anticipated award will be posted to the OSP website.

G. It is the Prospective Contractors' responsibility to check the OSP website for the posting of an anticipated award.

H. Anticipated awards will generally be posted for a period of fourteen (14) days prior to the issuance of a contract.

I. These notices are anticipated awards only and are subject to protest.

J. A contract resulting from this Solicitation is subject to State review and approval processes prior to award, which may include Legislative review.

1.6 CLARIFICATION OF SOLICITATION

A. Prospective Contractors **shall** submit questions about this Solicitation by September 16, 2026, using the SAP Business Network Message Board.

1. Prospective Contractors **must** be registered in the SAP Business Network to submit their questions.

B. Questions submitted after the deadline may not be addressed.

C. Prospective Contractors should download *Attachment A: Written Questions*, posted with the Solicitation, to itemize and submit questions.

D. For each question submitted, Prospective Contractor should reference the specific Solicitation item number to which the question refers, as applicable.

E. Prospective Contractors should use the Clarification of Solicitation period to:

1. Ask questions about requirements of the Solicitation
2. Clarify Prospective Contractor assumptions
3. Address pricing concerns
4. Notify the State of any Requirement that precludes the Prospective Contractor from submitting a Responsive Bid

F. Written questions will be consolidated and responded to as appropriate.

G. A consolidated response is anticipated to be posted by the close of business on or around September 23, 2026.

H. If questions are unclear or non-substantive in nature, the State may request clarification of a question(s) or decline to answer.

I. Prospective Contractors may contact the OSP Procurement Specialist with non-substantive questions at any time prior to the bid opening.

J. An oral statement by OSP will not be part of any contract resulting from this Solicitation and may not reasonably be relied on as an aid to interpretation unless it is reduced to writing and expressly adopted by OSP.

K. Only an addendum written and authorized by the State will modify the Solicitation.

1.7 RESPONSE DOCUMENTS

A. All bids **must** be submitted through the SAP Business Network.

1. Prospective Contractors **must** be registered in the SAP Business Network to submit their bids.

B. To ensure compatibility, all documents **must** be submitted using Microsoft Office or Adobe compatible formats.

C. Prospective Contractors **shall** utilize the *Bid Response Packet* attached with the Solicitation to submit their bids.

D. The following items are bid Submission Requirements and **must** be submitted as part of a Prospective Contractor's bid.

1. Signed *Bid Signature Page*; signature may be ink or digital.
2. Completed *Bid Response Packet*, which **must** be in English.
3. *Official Solicitation Price Sheet* posted with the Solicitation (see IFB Section 1.8 for information about pricing)
4. Copy of Prospective Contractor's *Equal Opportunity Policy*
    a. Pursuant to Arkansas Code Annotated § 19-60-104, OSP requires a Prospective Contractor bidding on a state contract to submit a copy of the Prospective Contractor's *Equal Opportunity (EO) Policy*.
    b. Prospective Contractors not required by law to have an *EO Policy* **must** submit a written statement to that effect.
5. *Proposed Subcontractors Form* (see Standard Commodities Contract, section 14)

E. The following items, which **must** be submitted prior to a contract, may also be included with the Prospective Contractor's response:
    1. *EO 98-04: Contract and Grant Disclosure Form* (see Standard Commodities Contract, section 11)

F. Prospective Contractors may include a redacted copy of their bid (labeled *Redacted*), if desired (see IFB Section 3.8 *Proprietary Information*)

G. Prospective Contractors should not include any other documents or ancillary information, such as a cover letter, promotional materials, or marketing information.

H. Bids **must** be submitted in the English language.

I. Prospective Contractors' bids cannot be altered or amended after the bid opening except as permitted by law or rule.

J. As requested, Prospective Contractors **shall** provide clarification regarding Prospective Contractor's bid.

1.8 PRICING

A. Prospective Contractors **shall** utilize the *Official Solicitation Price Sheet* posted with the Solicitation to submit their bids.

B. Prospective Contractors **shall not** alter the *Official Solicitation Price Sheet* except as instructed within the sheet.
    1. Material alterations to the *Official Solicitation Price Sheet* may result in rejection of the Prospective Contractor's bid.

C. If the Solicitation does not allow for accurate pricing, Prospective Contractor should notify the OSP Procurement Specialist during the Clarification of Solicitation period (see IFB Section 1.6).

D. If the Solicitation does not provide a specific line item for a service or item required to meet the Requirements of the IFB, pricing for that service or item should be rolled into pricing for another line item so it is accurately captured in the overall price submitted for determining the lowest bid.

E. In case of errors in formulas or extensions, unit prices **shall** govern.

F. Pricing **must** be proposed in U.S. dollars and cents.

G. Quantities stated are estimates only and are not guaranteed. Prospective Contractor **must** submit unit price on the estimated quantity and unit of measure specified.

H. The Contractor **shall** honor submitted pricing regardless of quantities ordered by the State.

I. Prices **must** be firm offers.

J. State or local sales taxes should not be included in the price.

SECTION 2 – SCOPE AND REQUIREMENTS

2.1 SPECIFICATIONS

A. Vehicle(s) **must** conform to all specifications referenced in this IFB and in the *Official Bid Price Sheet*.

B. Vehicles **must** be the 2027 year model.

C. Vehicle(s) **must** be new and **must** be in standard production by the manufacturer at the time of delivery.

D. Vehicle(s) **must** be an established model known for delivering strong, reliable performance over time.

E. Vehicle(s) **must** contain all standard features normally included by the manufacturer of the year, make, and model of the vehicle(s) at no extra cost.

F. Features that come standard from the factory **must not** be deleted or charged as additional options.

G. Vehicle(s) **must** be clean with all unnecessary tags, stickers, and papers removed.

H. Vehicle(s) **must not** contain dealer advertisement or insignia.

I. Vehicle(s) **must** meet all of the following minimum specifications prior to delivery:

1. Be furnished with all interiors, exterior trim and appointments listed by the manufacturer in printed specifications and literature as standard equipment.
2. Include all standard vehicle manuals and literature.
3. Be equipped with all safety equipment required by the State of Arkansas and applicable Federal Regulations.
4. Be completely serviced, cleaned, and thoroughly inspected by the Contractor prior to delivery to the Purchasing Entity.
5. Be completely lubricated.
6. Have at least five (5) gallons of fuel.
7. Crankcase **must** be filled with oil to the manufacturer's specifications.
8. Engine **must** be adjusted to manufacturers' standard operating conditions.
9. Tires **must** be inflated to manufacturer's standard tire pressure.
10. All mechanical features **must** be in perfect operation.
11. Front end **must** be aligned.
12. Wheels **must** be balanced.
13. Window price sticker **must** be affixed.
14. License plate holders **must** be installed on the front and rear.

J. Prospective Contractors **shall not** sell the State electric vehicles or electric vehicle components manufactured using forced labor.

2.2 PROSPECTIVE CONTRACTOR MINIMUM QUALIFICATIONS

A. Prospective Contractors **shall** be licensed by the Arkansas Motor Vehicle Commission as allowed by Arkansas Code § 23-112-301 and § 23-112-312.

B. Prospective Contractors should have on file with OSP a current copy of their Arkansas Dealers License issued by the Arkansas Motor Vehicle Commission.

   1. Prospective Contractors may submit a current copy of their Arkansas Dealers License issued by the Arkansas Motor Vehicle Commission with their *Bid Response Packet* but **must** submit a current copy of their Arkansas Dealers License issued by the Arkansas Motor Vehicle Commission prior to contract award or within the timeframe determined by OSP.

C. At the time of bid submission, the Prospective Contractor **shall** have in place (and the Contractor **shall** maintain throughout the aggregate term of a resulting contract) all facilities, staff, and other operations necessary for providing their awarded vehicle(s) to the Purchasing Entities.

D. Pursuant to Arkansas law, Prospective Contractors offering electric vehicles **shall** submit sworn certifications by the electric vehicles manufacturer(s) that no entity involved in the production of the electric vehicle or the component of an electric vehicle being sold, including the production of a constituent part or the mining or other sourcing of materials for the electric vehicle or the component of an electric vehicle, used forced labor in its activities (Arkansas Code Annotated 25-1-130).

   1. This sworn certification may be submitted with the Prospective Contractor's *Bid Response Packet* but **must** be submitted prior to contract award or within the timeframe determined by OSP.

2.3 REGISTRATION FEES

A. In accordance with Act 484 of 2009 and Act 351 of 2011, all Arkansas motor vehicle dealers **shall** print and place temporary buyer's tags on all unregistered vehicles at the time of sale.

B. Temporary buyer's tag fees **must** be ascertained and added to the Vehicle Registration Certificate Form.

C. Contractors **shall not** charge fees higher than the established amounts.

D. Contractors **shall** only increase fees based on rate changes imposed by the Arkansas Legislature.

2.4 WARRANTY REQUIREMENTS

A. From date of delivery, each vehicle **must** be accompanied by a factory, comprehensive warranty for a minimum of thirty-six (36) months or thirty-six thousand (36,000) miles, whichever comes first.

B. All electric and hybrid vehicles **must** come with a minimum eight (8) year or one hundred thousand (100,000)-mile battery warranty, whichever comes first.

C. The warranty **must** certify that the vehicle is of good material and workmanship and that the replacement of any part or parts that fail under normal use within the designated period, free of negligence or accident, will be promptly repaired or replaced at no cost to the Purchasing Entity.

D. If such failure renders the vehicle incapable of being driven, the Contractor **shall** transport the vehicle in question to their place of business.

E. If such failure takes place outside the Contractor's service area, the Contractor **shall** reimburse the nearest authorized dealer for services rendered under the warranty.

F. Tires are exempt from this warranty but **must** be covered by the tire manufacturer's standard warranty and services provided by the local authorized dealer of the tire manufacturer.

2.5 ACKNOWLEDGEMENT AND INVOICING

A. Upon delivery of the vehicle(s), the Contractor **shall** provide the original invoice, odometer statement, certificate of origin, and any other documentation required to license and pay sales tax on the vehicle(s) to the Purchasing Entity.

B. To ensure prompt payment, Contractor **shall** provide to the Purchasing Entity a copy of the invoice and the signature of the Purchasing Entity representative on a copy of the purchase order and all other receiving documents and dates received to the bill to address.

SECTION 3 – SOLICITATION TERMS AND CONDITIONS

3.1 ACCEPTANCE OF REQUIREMENTS

A. This IFB incorporates all terms of the *Standard Commodities Contract Template* (found here), unless otherwise negotiated and agreed upon during negotiations.

1. The contract template is attached to the Solicitation as a sample for informational purposes only.
2. Items may only be modified if the legal requirement is satisfied and approved by the State during negotiations.

B. The Prospective Contractor agrees and **shall** adhere to all terms, conditions, and Requirements of the IFB if selected as the Contractor.

1. A Prospective Contractor's bid may be rejected if a Prospective Contractor takes exception to any terms, conditions, or Requirements in this IFB.

C. Qualifications and services **must** meet or exceed the required Requirement as set forth in the Solicitation.

D. A Prospective Contractor's past performance with the State may be used to determine if the Prospective Contractor is responsible (19 CAR § 1-401).

1. Bids submitted by Prospective Contractors determined to be non-responsible will be rejected.

3.2 INVOICING AND PAYMENT

A. The Contractor **must** be registered as a vendor to receive payment and may register online by visiting https://sas.arkansas.gov/procurement/vendor-resources/.

B. The Contractor **shall** invoice the State as required by the Department and should not invoice the State in advance of delivery and acceptance of any commodities or services (Arkansas Code Annotated § 19-4-1206).

1. To ensure timely processing, all invoices **must** contain the applicable state purchase order (PO) number.
2. Contractors failing to include a valid PO number on an invoice waive any carrying charges, penalties, or fees associated with late payment, pursuant to Arkansas Code Annotated § 19-61-303.
3. The Contractor should invoice the agency by an itemized list of charges.
4. Payment will be made in accordance with applicable State of Arkansas accounting procedures after the Contractor has successfully satisfied the Department as to the reliability and effectiveness of the commodities or services purchased as a whole.

C. All payments to the Contractor under a resulting contract **shall** be made exclusively through ACH (Automated Clearing House) direct deposit or the State's authorized purchasing card (p-card) as applicable.

1. The Contractor **shall** provide the necessary banking information, including account number, routing number, and any other details required to facilitate ACH direct deposits.
2. The Contractor **shall** be responsible for ensuring that the provided banking information is accurate and up to date. Any delays or errors in payment caused by incorrect or outdated information provided by the Contractor **shall not** be the responsibility of the Department.

3. The Department will process payments according to the agreed payment schedule, and all payments made via ACH direct deposit **shall be** considered as duly received upon successful transmission to the Contractor's designated bank account.

4. Price changes or additional fee(s) **must not** be levied against the State when accepting the p-card as a form of payment.

3.3 CONTRACTOR CERTIFICATIONS

A. Pursuant to Arkansas State Procurement Law, the Contractor **shall** certify that, unless they offer to provide the commodities or services for at least twenty percent (20%) less than the lowest certifying Prospective Contractor:

1. They are not engaged in and **shall not**, during the aggregate term of the resulting contract, engage in a boycott of Israel (Arkansas Code Annotated § 25-1-503),

2. They are not engaged in and **shall not**, during the aggregate term of the resulting contract, engage in a boycott of an Energy, Fossil Fuel, Firearms, or Ammunition Industry (Arkansas Code Annotated § 25-1-1102).

B. Pursuant to Arkansas Procurement Law, the Contractor **shall** certify that the Contractor does not knowingly employ or contract with illegal immigrants and that the Contractor **shall not** knowingly employ or contract with illegal immigrants during the aggregate term of any contract with the State or any of its departments, institutions, or political subdivisions (Arkansas Code Annotated § 19-60-105).

C. The Prospective Contractor **shall** certify that they are not a company owned in whole or with a majority ownership by the government of the People's Republic of China (a "Scrutinized Company") and that they do not and **shall not** during the aggregate term of the resulting contract employ a Scrutinized Company as a contractor (Arkansas Code Annotated § 25-1-1203).

D. Pursuant to Arkansas State Procurement Law, the Contractor **shall** in all other respects comply with the laws, rules, and executive orders of the state that apply to the Contractor's performance under a resulting contract.

3.4 GENERAL TERMS AND CONDITIONS

A. Prior to the award of any resulting contract, the Prospective Contractor **shall** be registered to do business in the State of Arkansas through the Arkansas Secretary of State's office (https://sos.arkansas.gov/).

B. A single Prospective Contractor **must** be identified as the prime contractor.

1. The prime Contractor **shall** be responsible for the resulting contract and jointly and severally liable with any of its subcontractors, affiliates, or agents to the State for the performance thereof.

C. By submission of a bid, the Prospective Contractor represents and warrants:

1. That the prices in the bid have been arrived at independently, without any collusion with another competing Prospective Contractor.

   a. Collusion violates Arkansas Procurement Law and can lead to suspension, debarment, and can be referred to the Attorney General's officer for investigation and appropriate legal action (Arkansas Code Annotated § 19-61-403 and 19-61-702).

2. That the Prospective Contractor has not retained a person to solicit or secure the resulting contract upon an agreement or understanding for a commission, percentage, brokerage, or

contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the Prospective Contractor for the purpose of securing business.

D. Prospective Contractor should not discuss the Solicitation or bid, issue statements or comments, or provide interviews to public media during the Solicitation and award process.

E. The State will not pay costs incurred in the preparation of a bid.

3.5 DELIVERY: FOB DESTINATION

A. The Contractor **shall** deliver F.O.B destination as specified on the Purchasing Entity's purchase order.

B. The Contractor **shall** take all reasonable measures to ensure that commodities purchased **must** be delivered within thirty (30) days of the Department's issuance of the relevant purchase order unless otherwise agreed upon in writing.

C. The Contractor **shall** give the Department immediate notice of any anticipated delays or plant shutdowns that will affect the delivery requirement.

D. The Contractor will not be liable for delays in performance or for non-performance due to unforeseen circumstances or causes beyond the Contractor's reasonable control.

E. All deliveries **must** be made during normal State work hours.

F. The Contractor **shall** pay all transportation and handling charges, unless otherwise agreed upon in writing by the Contractor and Department.

G. The Contractor **shall** bear responsibility for loss or damage that occurs during shipping, prior to the order being received by the Department.

1. Risk of loss of the order will pass to the Department upon Contractor's delivery of the order conforming to the resulting pursuant to a purchase order.
2. All orders should be properly packaged to prevent damage during shipping.

H. The State assumes no liability for commodities produced, processed, or shipped in excess of the amount specified on the Department's purchase order.

I. Unless otherwise agreed upon in writing by the Contractor and Department, payment will be made within thirty (30) days of the date of the Contractor's delivery of product(s) conforming to the resulting contract and receipt of the Contractor's invoice, whichever is later.

3.6 INSPECTION AND ACCEPTANCE

A. By submitting a bid, the Prospective Contractor represents and warrants that goods its sells to the Department under a resulting contract **shall** be merchantable.

B. The State may inspect any commodities delivered, tendered, or identified to the State as being procured under a resulting contract to determine whether they conform to the contract.

C. The State's right to inspection may be exercised at any reasonable place and time and in any reasonable manner, as determined in the State's reasonable discretion, prior to acceptance of and payment for any commodities procured under a resulting contract.

D. If the commodities are found to be conforming as the result of inspection, the State will bear the cost of inspection, if any.

E. If any of the commodities are found to be non-conforming, the State:

1. May elect to recover expenses of inspection, if any, from the Contractor and the Contractor **shall** bear the cost

2. The Contractor **shall** be responsible for the cost of any retrieval, return, or disposal of the commodities.

3. Payment for commodities does not constitute acceptance of the commodities as conforming to the contract if the State has not had a reasonable opportunity to inspect the commodities or in the event of Contractor's fraud or concealment of defects.

F. The State has the option to return any product(s) within the thirty (30) day timeframe for any reason.

G. The Contractor **shall** include a total satisfaction return policy for all products and **shall not** impose any liability on the State for such returns.

H. Back orders, default in promised delivery, or failure to meet specifications **shall** authorize the State to cancel the resulting contract or any portion of it and reasonably purchase commodities elsewhere and charge full increase, if any, in cost and handling to the defaulting Contractor.

1. The Contractor **shall** give written notice to the Department of the reason for delays and the expected delivery date.

I. The State assumes no liability for commodities produced, processed, or shipped in excess of the amount specified on the Department's purchase order.

3.7 PROPRIETARY INFORMATION

A. The release of public records is governed by the Arkansas Freedom of Information Act (FOIA) (Arkansas Code Annotated § 25-19-101 et. seq.).

B. Submission documents pertaining to the Solicitation become the property of the State and are subject to FOIA.

C. In accordance with FOIA, and to promote maximum competition in the State competitive sealed bidding, the State may maintain the confidentiality of certain types of information described in FOIA; such information may include trade secrets and other information exempted from public disclosure pursuant to FOIA.

D. Under no circumstances will pricing information submitted in response to an invitation for sealed bids be designated as confidential after the sealed bids have been opened.

E. Consistent with and to the extent permitted under FOIA, any Prospective Contractor may designate appropriate portions of a bid as confidential by submitting a redacted copy of the bid.

F. By redacting any information contained in the bid, the Prospective Contractor warrants that, after having received such necessary or proper review by counsel or other knowledgeable advisors, it has formed a good faith opinion that the portions redacted are not considered public records under FOIA.

G. If a Prospective Contractor deems part of the information contained in a response not to be a public record, the Prospective Contractor should submit one (1) complete copy of the submission documents from which any proprietary or confidential information has been redacted in their bid response.

H. Except for the redacted information, the redacted copy **must** be identical to the original copy, reflecting the same pagination as the original and showing the space from which information was redacted.

I. The Prospective Contractor is responsible for identifying all proprietary information and for ensuring the electronic copy is protected against restoration of redacted data.

J. The redacted copy will be open to public inspection under the FOIA without further notice to the Prospective Contractor.

K. Documents simply marked "Confidential" and not properly redacted will not be considered redacted for the purpose of FOIA.

L. If a redacted copy of the submission documents is not provided with Prospective Contractor's response, a copy of the non-redacted documents may be released.

M. If the State deems redacted information to be subject to a public record request under FOIA, the State will endeavor to notify the Prospective Contractor prior to release of the redacted record.

N. The State has no liability to a Prospective Contractor with respect to the disclosure of Prospective Contractor's confidential or proprietary information ordered by a court of competent jurisdiction pursuant to FOIA or other applicable law.

3.8 CONVENIENCE FEE

A. Convenience Fee

1. The Contractor **shall** remit a convenience fee in the amount of one percent (1%) of all Contract Sales made to State, Departments, and to local entities as defined in Arkansas Code Annotated § 19-61-801 (i.e., local governments, cities, counties, school districts, water districts, and other participants, collectively "State").
2. The convenience fee is based on the Contractor invoice date and is effective upon the date of execution of the contract.
3. Contract Sales is defined as gross sale amounts less credits, taxes, regulatory fees, and separately stated shipping charges not included in the unit prices.
4. The State, at its sole discretion, may expand the applicability of this fee after providing notice to Contractors.
5. Unit prices are inclusive of the convenience fee and the Contractor is not to charge the fee directly to the State in the form of a separate line item.
6. Contracts **shall not** have separate or different prices for Department customers and local entities as defined in Arkansas Code Annotated § 19-61-801 participants.

B. Quarterly Reporting and Fee Remittance

1. The Contractor **shall** submit a Sales Report documenting all contract sales, made to State and such submission, including any supplemental information submitted, is deemed public record.
2. The Sales Report **shall** be submitted, and the related convenience fee **shall** be remitted no later than thirty (30) calendar days after the end of each calendar quarter.
3. The calendar quarters will end March 31, June 30, September 30, and December 31.
4. The Sales Report **must** contain the following information:
    a. Complete and accurate details of all sales, credits, returns, refunds, and the like for the reporting quarter
    b. Purchasing entity
    c. Total of Convenience Fee amount due
    d. Such other information as the State may reasonably request

5. If no Sales were made to State during the reporting quarter, then a report **shall** be submitted showing zero sales and zero convenience fees due.

C. Payment of Convenience Fee

1. The Contractor **shall** timely remit Convenience Fee via Automated Clearing House (ACH) transactions, unless otherwise directed by State, to the bank account directed by the State.
2. Failure to remit convenience fees timely and accurately in accordance with State requirements may result in the Contractor's commodities and services being made ineligible for purchase by State or any other recourse available, including contract cancellation, or as further provided for by law.

D. Retention and Inspection of Records

1. The Contractor **shall** keep records of Sales to State in sufficient detail to enable the State to determine the Convenience Fee payable by the Contractor.
2. State may examine and audit, at its own expense, the Contractor's sales records and Sales Reports for completeness and accuracy.
3. In the event that such examination reveals underpayment of the Convenience Fee, the Contractor **shall** immediately pay to the State the amount of deficiency.
4. If the examination reveals an underpayment of 5% or more, then the Contractor **shall** reimburse the State for the cost of the audit.
