Department /Agency	Office Name	County	Office Hours	Reason for exception to the 8:00 - 5:00 Office Hours	If applicable, Name of Co-located Building
Department of Health	Local Health Units (LHUs)	All	Variable: 8:00 to 6:00, 8:00 to 4:30, 9:30 to 6:00 depending on the day of the week and size of the LHU.	There is a Local Health Unit (LHU) in each county in the state. LHU facilities are owned and maintained by county governments, with occasional support from local municipalities. The Arkansas Department of Health (ADH) operates in these facilities and provides clinical services. To improve accessibility for patients, LHUs operate alternative hours and, at a minimum, offer a late clinic one day each week. Units with larger staffing levels remain open at 8:00 a.m. on late clinic days, while clinics with smaller staffing levels open later on those days. Some larger units also offer late clinics on multiple days each week while still opening at 8:00 a.m. Since these facilities are part of our field operations, county owned and some units have a very small number of staff (i.e. 1 nurse and 1 clerk), ADH would like to maintain flexibility with hours to best accommodate our patients and better serve the community.
